ACTIVITY: Opening Sequence (HOMEWORK)

Think of a film which had a very memorable opening sequence to you. Search for the clip on Youtube, and embed the clip as a blog post. Under your embedded video, identify and explain the:

- **Setting** (Where is it shot? Colour tones? Props?)
- **Costume** (What are the characters wearing?)
- **Lighting** (Is it natural or 3-point lighting?)
- **Actors Performance** (What is the character/s doing?)
- **Sound** (What can you hear?)

**TIP:**
When explaining, you are saying WHY certain elements are used in the opening scene, as this is the opening feeling and atmosphere given to the audience.

**Due Date:** Monday Week 4
